Mosaic Impedance-Matching Wizard Evaluation License Agreement

The Mosaic Impedance-Matching Wizard (© Copyright 1989-2005 Ampsa (Pty) Ltd.) is licensed, not sold. The software is protected by international copyright laws and treaties, as well as intellectual property laws and treaties. All rights on the software, except for those explicitly granted to the licensee in this license agreement, are reserved.

Ampsa grants the LICENSEE the non-exclusive right to evaluate the software for a period of 30 days on a single computer, on the conditions outlined in this agreement. The software must be removed completely from the computer used immediately after the evaluation period. This includes the documentation, example files and any files created during the evaluation.

Evaluation will only be allowed to prospective customers. Ampsa reserves the right to decline allowing evaluation of the software at its sole discretion.

The software is protected against unauthorized use. The protection implemented may not be removed or bypassed, and no attempt to do so may be made.

Removal, emulation, or reverse engineering of all or any part of this product or its protection constitutes an unauthorized modification to the product and is specifically prohibited. Nothing in this license statement permits the licensee to derive the source or assembly code of files provided to him in executable or object formats.

The software may not be rented or leased.

Ampsa disclaims all liability for direct, incidental, or consequent damages resulting from use of the software.

This license agreement will be governed by the laws of South Africa and is subject to the exclusive jurisdiction of the South African courts.

This license agreement is accepted by (Name) on behalf of (Company) in his capacity as (Position).
