Ampsa Amplifier Design Wizard Evaluation License Agreement

The Ampsa Amplifier Design Wizard (© Copyright 1989-2014 Ampsa (Pty) Ltd.) is licensed, not sold. The software is protected by international copyright laws and treaties, as well as intellectual property laws and treaties. All rights on the software, except for those explicitly granted to the licensee in this license agreement, are reserved.

Ampsa grants (the licensee) the non-exclusive right to evaluate the software for a period of 30 days, on the conditions outlined in this agreement. On conclusion of the trial, the software and documentation must be removed from the computer(s) used. Any amplifiers or circuits designed with the software during the trial, may only be implemented in customer products when a license for the software has been purchased.

Removal, emulation, or reverse engineering of all or any part of this product or its protection constitutes an unauthorized modification to the product and is specifically prohibited. Nothing in this license statement permits the licensee to derive the source or assembly code of files provided in executable or object formats.

The software is protected against unauthorized use. The protection implemented may not be removed or bypassed, and no attempt to do so may be made.

The software may not be rented, licensed or leased.

Ampsa disclaims all liability for direct, incidental, or consequent damages resulting from use of the software.

This license agreement will be governed by the laws of South Africa and is subject to the exclusive jurisdiction of the South African courts.
